Form 990 - Organization's Mission

The New England Chapter, Paralyzed Veterans of America is a 501(c)(3) non-profit organization and the only congressionally chartered veterans service organization dedicated solely for the benefit and representation of veterans with spinal cord injury or disease. For more than 75 years, PVA has ensured veterans receive the benefits earned through their service to our Nation; monitored their care in VA spinal cord injury units; and funded research and education in the search for a cure, improved care and quality of life for individuals with paralysis.

Sports and Recreation

Throughout its history, the Chapter has stood by the belief that active participation in wheelchair sports and recreation pays tremendous dividends in terms of physical fitness, building self-esteem, chair mobility and competitiveness. The informal peer mentoring that occurs during these activities is invaluable to recently injured individuals, and aids in their efforts to re-enter their communities after the rehabilitation process. Through the Chapter's Wheelchair Sports & Recreation Program, we have been able to provide this valuable need to our members. Because of the COVID-19 pandemic, many of the previously scheduled sports and recreation activities were cancelled or postponed in the hopes of ensuring the health and safety of our members and all other participants and spectators.

In September 2020, the Chapter undertook the project of completely redesigning the website to address long standing issues with quality and quantity of content, ease of access across multiple platforms and devices, and overall format and navigability of the site. Over a 2-month period we collaborated with our chosen vendor to successfully overcome these issues and launched the new site on November 11, 2020. We received overwhelming positive feedback regarding the site's amazing new look, robust and informative content, and a designed layout that was much easier to navigate. The website now features new and industry standard "Responsive Website Design" technology advancements, making it compatible and viewable across most any internet capable device or OS from cell phones, tablets, laptops and PCs. Additionally, as part of the redesign, navigation and content were intentionally laid out and created in such a way visitors could reach their desired information within 1 to 2 clicks, and no more than 3. The site is also easily navigable by visitors using adaptive viewing technology.

Another essential aspect of the redesign was incorporating a similar look and feel consistent with PVA's existing brand strategy. We felt it imperative to show and represent our strong relationship with the National organization. You can uniquely see how this is accomplished by integrating the PVA colors, logo, Mission Man and messaging throughout the site. Using these distinct and identifiable attributes in this manner is another factor differentiating our website from any other Chapter.

In an effort to streamline and ease membership applications, we directly integrated National's online membership application form into the site,

which no other Chapter has done. As a result we have already added new Chapter members through its use. In these same efforts, we created online forms for Member COVID Relief Grants, Individual Allotments, Member and Nursing Educational Scholarships, and Face Mask requests.

Another significant feature added was the ability to accept secure donations online and track them with our integrated donor management system on the backend. Included with this was highlighting several other ways which donors can support the Chapter. These efforts, too, have already proven successful, as we started receiving donations the day of the site launch.

Membership

Currently, the Chapter has 778 members spread throughout the 6 New England states. The Chapter maintains a robust membership program and continually works to add new members through various outreach initiatives and accepts members transferring in from other Chapters. A popular membership benefit is the annual individual allotment of \$1,000. This is available to all members on a first-come-first-served basis until the funds are exhausted. The intent of these funds is to get members out and remain active by offsetting the cost of participating in sporting events, attending entertainment activities, or whatever a member might want to do to enjoy and enrich their lives. The Chapter also supported members during the pandemic by offering free masks and neck gaiters branded with the New England PVA logo.
